

REMARKS

Applicant received an Office Action on May 5, 2010. Examiner provided a final rejection, where, as indicated in the Office Action Summary, claims 1, 3, 5-9, and 21-39 were rejected. However, the Office Action contains an error that affects Applicant's ability to reply to the Office action, since the Examiner must, and did not, provide clear explanations of all actions taken by the examiner during prosecution of the application with regard to claims 34 and 35. Applicant is not sure whether Examiner intends these claims to be allowable subject matter, or if Examiner believes these claims are to be rejected on grounds she failed to communicate.

Since Applicant is altering the Office within the period for reply set in the Office action, Applicant is requesting the Office correct the Action and set a new period for reply under MPEP 710.06.

Respectfully submitted,
